

## Purchasing Laserfiche (Fiscal year 2019)\*

### RATES

Number of Images**	Annual Rate	Monthly Rate per 100 images
Imaging maintenance with <150,000 images	\$2,500	
Imaging maintenance with <5,000,000 images		\$0.15
Imaging maintenance with 5,000,000+ images		\$0.10

\* All prices are TAMU System rates for TAMU Part 02, TAMUS Non-Part 02 and Auxiliary/non-TAMUS. Rates for commercial customers are higher than rates listed on this schedule. Please contact [laserfiche@tamu.edu](mailto:laserfiche@tamu.edu) for commercial rates. All rates are subject to annual review and approval.

\*\* Pricing structure assumes images are standard 8.5"x 11" black-and-white documents at 300 dpi using standard database indexes and a standard backup schedule with one planned restore per quarter.

Laserfiche has led us to examine our other business processes, so we've automated a variety of other reports and documents. This has reduced—or in some instances even entirely eliminated—printing of paper reports."
